JASON P. LOVAS, 701-371-1272 • SARAH E.H. LOVAS, 701-866-1704 • PETER LOVAS, 701-430-0774
607 5TH AVE SE • HILLSBORO, ND 58045
SHOP LOCATION: 448 HIGHWAY 81 SE (1/2 MILE SOUTH OF ALTON GRAIN TERMINAL)

Farm Technician

Open position for a highly motivated farm technician. Job consists of operating farm equipment, including combines, tractors, planters, self-propelled sprayers, and trucks; managing grain handling facility and dryers; and maintaining equipment. The successful candidate will have experience with John Deere auto steer, operating combines and tractors, driving semi-trucks (CDL preferred), and working with grain handling facilities and dryers. North Dakota chemical applicators license a plus. If you can lift 50 pounds, learn on the job, work long hours during peak seasons, and work individually or with a team, we'd like to hear from you. Salary based on experience. Applicants will need to pass a pre-employment drug test and criminal background check.

Please send resume and references to: **Sarah Lovas**, 607 5th Ave SE, Hillsboro, ND 58045, sarah@lovasfarms.com, or visit our web site at www.lovasfarms.com to submit an application.

About Lovas Farms

Lovas Farms has been around for four generations. It is owned and operated by father/son/daughter-in-law team Peter, Jason, and Sarah Lovas. In addition to the 8,000 acres they farm, they also do local custom harvesting, planting, and crop monitoring. Lovas Farms uses modern John Deere, Caterpillar, and Case IH equipment with John Deere GreenStar™.

Description

- Operate farm equipment, including combines, tractors, trucks, planters, and sprayers (self-propelled)
- Manage grain handling facility and dryer
- Maintain and repair equipment
- Work in shop during winter months maintaining equipment
- Haul grain in winter
- Operate equipment in the field during growing season
